

Y3's Class News Autumn 2 Week 2 (November 8th 2017)

Classwork

This week in literacy we have been looking at homophones and have been writing character descriptions from Beowulf, the class book we are reading. In numeracy we have been multiplying and dividing by 3, 4 and 8.

Stars of the Week!

Last weeks Star of the Week was **Tobias Jaimon**. Tobias was extremely apprehensive when the class went swimming as he'd never been swimming before. However Tobias conquered his fears by getting in the water and impressing everyone.

The Behaviour Award went to **Aidan Barnes** for always following the golden rules. We have been so impressed with Aidan's attitude and approach to his work.
