

Friday 3rd May

# Reception News

## This week.....

We carried out surveys about our pets and created a pictogram to represent our findings.

We read the story of 'The Great Pet Sale' and looked at different ways to make payment for the different pets.

We also read the story of 'Chicken Licken' and then used the puppets and puppet theatre to retell the story.

In the sunshine, the children have been able to make bird feeders. This is one of the activities which will go towards their RSPB award.

Mr Durkin came in to teach the children about money.

## Next week.....

We will be practising our artistic skills to produce some fine artwork for the art exhibition.

In maths, we will be revisiting 2D and 3D shapes and introducing symmetry.

The children will be doing some independent writing about their pets.

Towards the end of the week, we will start to look at farm animals in preparation for our trip to the farm.

In RE, we will be thinking of our own individual prayers to share with the class.

## Important information

**Missing coat** - Please can you check to see if you have an extra green St. Benedict's coat at home, as one is missing. There could be a faint PB on the triangle on the back of the coat.

**Sunny days** - Please ensure your child has a sunhat and sunscreen applied to protect from the sun.

**Stockley Farm Trip** - Please can you return permission slip with payment as soon as possible. Also, we could do with 2 more helpers - please let us know if you could help out. Thank you.

**Plastic 2 litre soda bottles** - Please continue to send these in. Thanks for those received so far.

## This week's stars are.....

**Eva Brookes** - for wonderful blending of CVC words.

**Aarya Maruthupandian** - for always following the golden rules and mastering the writing of his long surname!
