

Friday 18th January

Reception News

This week.....

We have read stories and information books about the police. On Tuesday we had a visit from two police officers who told us all about the different things they do to help people.

The children have learnt the new sounds y,z/zz and qu and tricky words 'he' and 'she'

In maths, the children have continued to work on addition and some children have been doing some subtraction as well.

We have explored ice balloons in the water area, made police hats, written 'Thank you' cards for our visitors and have been on a winter welly walk.

Next week.....

We will be preparing for our class assembly on Wednesday morning.

In Phonics, we will be learning the alphabet, letter names and vowels.

We will continue to work on addition and subtraction in maths.

We will be talking about the role of the paramedics and using the internet and information books to find out more about them.

The children will program the Beebot devices, working on different 'People Who Help Us' themes.

PE - Monday, Friday
Guided reading - Wed

Important information

Reports - These will be sent out on a rolling basis, as previously. Please can you complete and return the parent/s comments section which will accompany the report as a separate sheet. Thank you.

Reading - Please continue to read with your child as often as possible. Children who are reading often are progressing really well.

Junk modelling - Please can you send in some cardboard boxes and tubes. Thank you.

This week's star awards go to.....

Sam Farrell - for trying hard with his independent writing.

Sofia Grainger - for being a hard worker and a super friend.
