

Friday 21<sup>st</sup> September

# Reception News

## This week.....

We have started our guided reading sessions. These will take place on a Wednesday each week.

In Phonics, we have been working on p, i and n.

We have been identifying numerals and building corresponding towers with that number.

The children have really enjoyed the skeleton dance which linked in with our story 'Funnybones'.

We have been talking about our families and drawing pictures of them.

## Next week.....

We will continue to learn new sounds in Phonics (m,d,g) and will also start to segment and blend words with the letters we have covered so far.

We will be doing some drama work based on 'The Smartest Giant in Town'

In Numeracy, we will continue to practise counting using songs and practical activities.

We will also have a go at programming the Beebots.

Our PE days will be Monday and Friday - please label everything!!

## Important information

Please can you ensure that the children have wellies in school for outdoor activities. Please can you also make sure they have a PE kit kept in school.

## This week's star awards go to....

Caoimhe Durkin - for always trying her best in all activities

Tesslin Jaimon - for always sitting beautifully on the carpet

## And the merit badges go to ....

Aoife O'Brien - For settling into school and making lots of friends

Harley Clarke - For being a really great helper in class
