

Friday 9th December

Year 1 News

This week.....

We have been practising the Nativity in the hall with Reception and Year 2. The dress rehearsal went well so we are almost ready....

In maths, the children have been counting a mixture of different coins, finding different ways of making the same total (using different coins) and working out the prices of multiple items.

In Literacy, the children have been using 'and' to link sentences. They have also been working on the story of 'The Snowman'. They sequenced the story and completed sentence work to practise capital letters and full stops.

Next week.....

We will be performing the Nativity for our family and friends (Tuesday and Wednesday)

We have a special pantomime company performing for the whole school in the hall.

It will be our Christmas disco on the Thursday and we will have our class party on the Friday.

Amongst all this, we will find time for some Christmas crafts and Christmas cards etc.

Important Information

Nativity play - Thank you for providing the wonderful costumes for the children. There are now 3 performances of the Nativity - Tuesday, Wednesday afternoon and Wednesday evening.

Homework - There will be no homework now until the New Year. Please continue to practise the spellings and read as much as possible over the holidays. Thank you.

Show & Tell (16th Dec) - Aarya / Charlie W

This week's awards go to.....

Harry B - for producing his own Nativity story book & trying hard in phonics

Darcey - for a wonderful attitude to learning and behaviour
