

Friday 9th November

# Reception News

## This week.....

We enjoyed our first school trip to Legoland. The children (and adults) had lots of fun building tall, strong buildings and witnessing what happened to them when the earthquake struck!

We have completed all the words and sounds for phase 2 phonics.

The children have continued working with Jack and the Beanstalk. We compared alternative versions of the story and the children hot seated the different characters from the story.

In maths we have been talking about 2D shapes and have been identifying where we can see them in the environment.

## Next week.....

Our focus fairy tales will be 'The Three Little Pigs' And 'Cinderella.'

We will continue to learn songs and dances / routines for the nativity.

In phonics, we will be practising blending and segmenting of simple CVC words.

We will work on 3D shapes and then identify where we can see these shapes.

We will start to send out observational report summaries. Please note these will be sent out on a rolling basis so if you do not get it this week, it will be on its way soon.

Guided reading - Wednesday  
PE - Monday and Friday

## Important information

Homework - Please find new key ring words to practise at home. Please also practise letter formation for e and h on handwriting sheets provided. Thank you for your support.

## This week's star awards go to.....

**Aoife O'Brien** - for being a great role model for the class based on her behaviour and attitude to learning.

**Alex Townsend** - for being so well behaved on our trip
