

Y3's Class News Spring 2 Week 6 (April 3rd 2019)

Classwork

This week in literacy the children have been writing questions about pirates and using search engines to find out the answers. In numeracy they have been finding fractions of amounts.

Stars of the Week!

Last weeks Star of the Week was **Darcey** for a fantastic start to her story by using great descriptive language and a variety of sentence starters.

The Behaviour Award went to **Zuzanna** for always following the golden rules. For showing great commitment to her work by always asking to come in during lunchtime to finish her work.

This newsletter and homework sheets can be found on the school website under Year 3 Documents.

Homework

Topic

When we come back after Easter, we are going to be learning about the Ancient Greeks. Please do some research on this topic and come up with 5 facts to share with the class. Who can find the most interesting fact?

Literacy

During the holidays, please try to read a bit everyday with your child and ask them some questions from the suggested question sheet.

Numeracy

In the summer term we will be looking at Time. During the holidays, please can you get the children to tell you the time at various points in the day or ask them to tell you when it is a certain time etc.
