

# Year 5/6 Newsletter 17.12.12

Dear Parents,

Christmas will soon be upon us! Remember to keep checking the school website for all those essential dates!

## Homework

Maths homework during the holidays is to complete the revision sheets. The children have already covered these areas and should not find them problematic, however if they need a little reminding, please refer them to the revision sheets we have previously sent home. Additionally, the following websites have great activities that the children can do to help them with their revision: [mathsisfun.com](http://mathsisfun.com)      [topmarks.co.uk](http://topmarks.co.uk) For literacy, the children have been sent home with a copy of a piece of work completed in class. They need to read the written comments and re write the piece of work, improving on the original. We have provided information for the children that they will take home, however, additional research to inform their work would be brilliant! Our topic next half term will be the Native Americans. The children will benefit from researching this topic before they return in January.

## Advent Service

Our Advent service will be at 10am on Wednesday 19<sup>th</sup>. Year 5&6 will leading the service, so it would be lovely to see as many of you there as possible.

## Christmas Party

Due to the majority of the class singing in the choir Tuesday afternoon, the Year 5/6 party will be in the morning. Please can you make sure all party food is brought in, in the morning.

We would like to take this opportunity to wish you all a wonderful Christmas and look forward to seeing you all in the New Year.

Thank you for your continued support.

MRS MULDOON
