

Year 5/6 Newsletter 5.10.12

Dear Parents,

As the children will no doubt have told you, we all had a wonderful time at The Conway Centre. Photographs will soon be in place on our school website - make sure you take a look! <http://www.stbenedicts.cheshire.sch.uk>

Art work

The Year 6 children continue to be busy with Artists, Jean and Graham. They have already created the structure for their Rainforest plants and animals and will soon be ready to add colour. When finished, we intend to display the children's work in the Reception area, outside the Hall. Please take the time to come and gaze at their wonderful creation at the end of this half term.

Year 5 are busy creating their own Rainforest scene, using a range of techniques including collage, water colour layering and detailed sketches. These will also be on display by the end of half term.

Homework

Well done to those children who have not been late with a single piece of homework! We have been very pleased with the presentation and standard of the majority of this work. Can we take this opportunity to remind you to check when homework is due and to ensure that any dates and titles are underlined. Year 6 will soon be allocated maths books specifically designed to support their numeracy work. These books are to be returned at the end of the school year.

P.E.

P.E. lessons are every Tuesday and Wednesday. It is very important that the children always have their full kit in order to keep them safe and comfortable during these lessons.

Thank you for your continued support.
