

# Year 5/6 Newsletter 7.12.12

Dear Parents,

Christmas is fast approaching! Remember to keep checking the school website for all those essential dates!

## YEAR 6 assembly and CAFOD morning

Thank you for supporting the Year 6 cake sale to raise funds for CAFOD. Over £50 was raised. We were very impressed with the effort the children put in to organising and selling the cakes - they were proud of themselves too!

## Homework

There will be homework over the Christmas holidays but it will include revision of the areas we have covered and research for our next topic. It is important that the children have the time to rest and enjoy the Christmas festivities, but we don't want them to forget all that they have learned. Year 6 - don't forget to keep revising from your maths books.

All the children have been given revision material as we have worked our way through different maths and English areas. It is important that they keep this safe and revise it as often as they can.

## Next term's topic

Our topic for next term is Geography based. We will be studying the Native Americans; their location and culture. Some of the children's holiday homework will be to research this area. If they come across an aspect which they would like to learn about, please let us know and we will put it into our planning.

Thank you for your continued support.
